Ecclesiastical Sovereign Private Trust of Humanity

1780 rannoch trc, fort smith, arkansas

Let it be known, witnessed, and eternally recorded:

You have crossed into the living domain.

This domain is not abandoned. It is not open.

It is not under contract, title, or presumption.

It is not measured by trade, code, or fiction.

It is whole, alive, and held in sacred standing under the Ecclesiastical Sovereign Private Trust of Humanity.

You were not welcomed.

You hold no standing.

Your presence is intrusion.

Your actions are now recorded within the Living Trespass Ledger.

This is not a caution.

This is not a plea.

This is the living record.

Any further move to file, seize, tax, claim, or interfere is now entered as willful dishonor.

This violation now lives within the sacred remembrance of living equity.

Let it be written.

Let it be sealed.

Let it be remembered.
